ZRG Partners Continues Global Expansion with New Office in Frankfurt, Germany

Westborough, MA July 4, 2010

ZRG Partners, a USA based global executive search and talent management firm, is pleased to announce the opening of new offices in Frankfurt, Germany. Managing Director in the Frankfurt offices will be Volker Napp. Volker brings 11 years of retained search experience to ZRG working with several clients from medium sized to multinational companies.

ZRG Partners is a U.S. based, global retained search firm with a 10 year operating history. The firm is regarded as one of the top emerging retained search boutiques. ZRG operates globally with offices in the U.S., Canada and Asia Pacific and Europe and maintains an active presence in Latin America.

Larry Hartmann, Managing Partner of ZRG, commented, “Based on client demand and receptivity of the firm’s unique Z Score value proposition with global clients, ZRG Partners is committed to developing a strong footprint in Europe. Last year, we conducted multiple projects across both Eastern and Western Europe for our multinational clients so having an office in Frankfurt will help us better support these needs in the region. We anticipate additional office openings in Europe in key regions in the coming 12-24 months”.

Volker Napp related, “I am pleased to join ZRG and take the Z Score tools to my clients in Europe as well as support the needs of the firm in Europe. The landscape in executive search is changing and helping clients make great hiring decisions for critical roles is important. ZRG’s suite of services will bring much needed state of the art solutions to the German market”.
